

## **Agenda Item 8**

### **LW/23/0304 - Land between Beach Road and Transit Road, Newhaven (Pages 7 - 54)**

The Applicant has requested, and Officers recommend, that the application be deferred, without discussion of the item, to a future meeting of the Committee, as the absence of final highways comments on the application may prejudice the consideration of the item.

A deferral is sought so both members and the public have an opportunity to consider the Highways comments and comment upon them as appropriate.
