Demolition of existing industrial units and erection of 7 industrial terraces (providing 31 B2/B8 units) with associated access, car parking and landscaping - **HAMPDEN PARK**

Kate Neill (Neighbour) spoke against the proposal. A written representation was read aloud by the Head of Planning First on behalf of Councillor Josh Babarinde MBE, in his capacity as the Eastbourne Borough Ward Councillor.

The SSA (Senior Specialist Advisor, Planning) presented the report and its findings.

The Committee was informed of a consultation response from East Sussex County Council (ESCC) Highways received prior to the meeting, which stated that insufficient information had been submitted to address highways concerns. As a result, the SSA stated a change to the officer recommendation (originally for delegation to officers to await ESCC Highways comments) to deferral of the application to address the transport/highways concerns.

The Committee discussed the proposal in detail including issues surrounding the lack of sufficient consultation with local residents, insufficient parking and the impact of the development upon neighbour amenity.

Councillor Vaughan proposed a motion to defer the application until the points raised within the ESCC Highways consultation response have been addressed. The motion was seconded by Councillor Miah and was carried.

Resolved (by 7 votes in favour to 1 against):

That planning application 210324 for the demolition of existing industrial units and erection of 7 industrial terraces (providing 31 B2/B8 units) with associated access, car parking and landscaping be deferred, until the points raised within the ESCC Highways consultation response have been addressed.
