**Subject of report:**

On 21<sup>st</sup> December 2021 the Government announced a new CV-19 business grant funding package to support businesses hospitality and leisure businesses impacted by the rise in the Omicron variant. The announcement included a scheme that will operate to support hospitality and leisure businesses within the business rates system.

**Key decision?:**

Yes

**Open summary of decision made:**

The Leader of the Council approves the Omicron Hospitality and Leisure Grant Scheme and grants the Director of Service Delivery delegated authority, to

implement, and if necessary, amend each Policy (in consultation with the Leader). Such delegated authority will include any measures necessary for or incidental to its management and administration.

In accordance with section 20 of the Council's Scrutiny Procedure Rules, the call-in procedure shall not apply to this decision given its urgency. A decision is urgent if, in the view of the decision maker, any delay likely to be caused by the call-in process would, for example, seriously prejudice the Council's or the public's interests.

***Reason(s) for decision:***

This is a new scheme which needs to be implemented as a matter of urgency and so executive approval for the scheme is being sought from the Leader. The Leader is being asked to authorise the Director of Service Delivery to implement and administer the scheme as there is no existing officer delegation in place.

***Alternative options considered:***

This additional funding has been made available by Government as an emergency measure to support hospitality and leisure businesses over the next few weeks. Time does not permit alternative options.

***Was an executive councillor(s) consulted before decision was taken?***

None

***If councillor(s) consulted, did they declare any personal interest relating to the decision, had they been given a dispensation in respect of the matter?***

Not applicable
