Key to assurance levels

Assurance Level	Description
Full Assurance	Full assurance that the controls reduce the risk to an acceptable level.
Substantial Assurance	Significant assurance that the controls reduce the level of risk, but there are some reservations; most risks are adequately managed, for others there are minor issues that need to be addressed by management.
Partial Assurance	Partial assurance that the controls reduce the level of risk. Only some of the risks are adequately managed; for others there are significant issues that need to be addressed by management.
Minimal Assurance	Little assurance that the controls reduce the level of risk to an acceptable level; the level of risk remains high and immediate action is required by management.
No Assurance	No assurance can be given. The reasons will be explained thoroughly in the report.
