## **1.0 Consultation**

- 1.1 The priority themes in the Corporate Plan were developed in consultation with residents. Following the refresh of the Corporate Plan at Full Council in May 2022, a summary of achievements to date relating to the previous period of the plan (2020-2022) is set out in appendix 2 of this report.

## **2.0 Solution Sprints**

- 2.1 The council made use of solutions sprints (SS) prior to the Covid-19 pandemic as a way of realising service and performance improvements. Work is underway to relaunch SS and activity this Quarter has included:

- engaging with representatives from the Managers' Reference and Staff Experience Groups to understand what worked well and less well with previous SS and seeking their ideas for improvements,
- Bringing together performance data with feedback received from customers within the Business Transformation Unit to identify additional areas of search for the refreshed SS.

Over the next Quarter, the process for relaunching SS will be finalised and the new approach will be piloted.

## **3.0 Financial appraisal**

- 3.1 Project and performance monitoring and reporting arrangements are contained within existing estimates. Corporate performance information should also be considered alongside the Council's financial update as there is a clear link between performance and budgets/resources.

- 3.2 All the financial implications are contained within the body of the report.

## **4.0 Assurance Review actions relating to performance**

- 4.1 Alongside the usual quarterly performance reporting, we have recently completed a piece of work, as required by the CIPFA assurance review, to assess three categories of expenditure where it was felt that council expenditure may be out of line with other like authorities.

Having completed that review, we are satisfied that the council's spending in these areas has been reasonable and proportionate, when compared with other authorities.

## **5.0 Legal implications**

- 5.1 Comment from the Legal Services Team is not necessary for this routine monitoring report.

## **6.0 Equality analysis**

6.1 The equality implications of individual decisions relating to the projects/services covered in this report are addressed within other relevant Council reports or as part of programmed equality analysis.

## **7.0 Conclusion**

7.1 This report provides an overview of performance against the authority's priority actions and indicators for 2022-23.
