Subject: Tesco licensing application

Dear Sir/Madam,

I wish to strongly object to the application by Tesco Ltd for a licence to sell alcohol between the hours of 0600 - 0000 from their new outlet in Terminus Road, Eastbourne.

Given that there is already a serious problem regarding anti-social behaviour in the town centre, fuelled by alcohol and obvious drug use, it would be beyond comprehension that a licence could be granted that would make access to alcoholic drinks so freely available from very early in the morning until late at night.

I have myself witnessed very threatening behaviour in this section of Terminus Road, which had all the hallmarks of being exacerbated by alcohol and/or drug abuse.

The Licensing Authority must put both the safety of the public and their right to a pleasant experience in Eastbourne town centre as the No.1 priority when considering this issue.

Yours faithfully,
