## **1.0 Consultation**

1.1 The priority themes in the Corporate Plan were developed in consultation with residents.

## **2.0 Solution Sprints**

2.1 The council employed Solution Sprints (SS) pre-pandemic to realise service improvements. Associated SS work has been relaunched this year. As previously reported, quarters 1 and 2 saw the soft launch of SS and approval of associated governance arrangements via the Accelerating Change Steering Group.

In quarter three we have piloted SS approaches resulting in the launch of a new ‘Contact Us’ form on the council’s website. This is helping to streamline emails to service areas and free up Customer First colleagues, to prioritise those

customers with the greatest need. Associated process mapping methods have also been used this quarter to support the new Planning System project.

Within this quarter the Accelerating Change Steering Group have reviewed and refined a range of SS ideas. This has included research and initial scoping, with associated Sprint work prioritised and integrated into existing and forthcoming projects such as the new council website project commencing in Quarter 4. Quarter 4 will also see the Accelerating Change Steering Group reviewing SS approaches to date and, if appropriate, launching communications to pool wider ideas for continuous improvement activity from across the council.
